1	PROCEEDINGS
2	JUDGE CHACHKIN: Back on the record. Mr. Shook, did
3	you have any further questions?
4	MR. SHOOK: No, Your Honor, I did not.
5	MR. COHEN: Your Honor.
6	JUDGE CHACHKIN: Yes.
7	MR. COHEN: Before you, you hear from Mr. McCurdy, I
8	just wanted to make a request of you. You asked the witness a
9	question yesterday to define affiliate. And prompt based
10	that's what my notes reflect.
11	JUDGE CHACHKIN: Well, go ahead.
12	MR. COHEN: And based on your question, I would like
13	to ask the witness a couple of questions which are, which are
14	directly related to the question that you asked him. And
15	I'll, I'll state what the questions are if, if you want me to
16	now.
17	What I wanted to ask him was does the fact that
18	loans are outstanding to program affiliates affect the
19	definition? Because there are, there are a number of, of
20	affiliates. And it's set forth in Joint Exhibit 1 or program
21	affiliates. And loans are outstanding to them. And I wanted
22	to know whether, whether that has any impact on the witness's
23	answer.
24	JUDGE CHACHKIN: I think the witness made it very
25	clear that the difference was arm's length and not arm's

1	length.
2	MR. COHEN: Well, and that was my next question.
3	JUDGE CHACHKIN: And the question was am I correct,
4	sir, that those cases where loans were made to program
5	affiliates who have no, no identical or majority directors on
6	both, both entities that the loans that were made were, were
7	made pursuant to arm's length transactions where agreements,
8	written agreements were entered into, written loan agreements
9	were entered into, and security arrangements also were
10	involved.
11	MR. JUGGERT: That's correct.
12	MR. COHEN: Well, Your Honor, that was exactly what
13	I wanted to follow up on. Because I think Joint Exhibit 1
14	deals with that very matter. And I have it doesn't seem to
15	me that the witness my understanding of Joint Exhibit 1
16	doesn't I don't
17	JUDGE CHACHKIN: What's Joint Exhibit 1?
18	MR. COHEN: Joint Exhibit 1, Your Honor, is the, is
19	the
20	UNIDENTIFIED SPEAKER: Financial information.
21	MR. COHEN: It's the financial information prepared
22	by, pursuant to stipulation. It was prepared by Trinity's
23	accountant. And if you'll look, Your Honor, he mentioned at
24	page 28 of the document there is a recitation of various notes
25	to program affiliates of TBN. And the only question I wanted

1	to ask the witness whether he was aware of this and whether he
2	believed all of those dealings were arm's length dealings that
3	are set forth commencing at paragraph 49.
4	JUDGE CHACHKIN: I'll permit him to permit you to
5	ask the witness that question before we go to
6	MR. COHEN: Well
7	JUDGE CHACHKIN: Go ahead.
8	MR. COHEN: You've heard the colloquy between His
9	Honor and myself. Would you please make available to the
10	witness Joint Exhibit 1?
11	(Pause.)
12	MR. COHEN: Page 29, commencing at paragraph 48.
13	I'd like you to read it to yourself if you would. Read from
14	there read paragraph 48, 49 through the end of the, of the
15	exhibit.
16	(Pause.)
17	MR. COHEN: Tell me when you've finished.
18	MR. JUGGERT: Yes.
19	JUDGE CHACHKIN: Just to be clear, talking about
20	Joint Exhibit 1, that's a stipulation of all the parties.
21	MR. COHEN: That's right, Your Honor.
22	JUDGE CHACHKIN: As opposed to just a stipulation of
23	two parties.
24	MR. COHEN: Correct. It was prepared by Trinity's
25	accountant in order to avoid having a, the accountant testify.

1	MR. JUGGERT: How far did you want me to go?
2	MR. COHEN: To the end of the document.
3	MR. JUGGERT: Okay.
4	CROSS-EXAMINATION
5	BY MR. COHEN:
6	Q And I have a simple question for you. The answer
7	may not be simple, but the question is simple.
8	A Okay, yes. I mean having studied all of the details
9	where I see all the corporations named.
10	Q Well, the question I have is were all of these loans
11	ones that were the results of arm's length bargaining if you
12	know?
13	A Some of them I would have, I would have been
14	involved in the bargaining with. And I know those were.
15	Others were ones that I participated in in terms of drafting
16	documents and was given the, the data from someone at Trinity
17	Broadcasting Network.
18	Q So you wouldn't know then.
19	A I, I wouldn't know if there was negotiation by arm's
20	length. I mean there were when I testified to arm's length
21	relationship what I do know is that there are notes and
22	security agreements and leases.
23	Q Well, what about oh, excuse me. Continue.
24	A For, for these, these program people.
25	Q Well, what about, what about favorable interest

rates, lower than market interest rates for example? 2 I don't -- frankly, I don't know what the interest 3 rate was when these loans were issued. And I don't know if 4 more than favorable interest rates were given, given to these 5 people. 6 0 You don't know. 7 I don't know. 8 Well, you would agree that if, that if lower than 9 market interest rates were given that that would not be an 10 indicia of arm's length dealing. Would you agree with that? 11 Not necessarily between religious organizations. 12 Because the, the obligation -- the, the intent is not to make 13 money off of another non-profit corporation to be secured 14 being repaid. These all -- the interest rates that I've seen 15 through here, that we've all seen seem to be fair interest 16 rates. 17 Well, let me ask you another question. 18 condition of the loan the debtor was required to carry TBN 19 programming for a specified period of time, would that be an 20 indicia to you of arm's length dealing? 21 Α Yes, it would. Because normally when that happens 22 there is an affiliate agreement. And Trinity is assured of 23 being paid its, its money. 24 So the way Trinity is assured it's being paid its

money is to receive zip code receipts. Is that correct?

25

	330,
1	A That is, that is one way. The other way is to
2	foreclose if necessary.
3	Q And so you've answered that question.
4	MR. TOPEL: Your Honor, I just want to put an
5	objection on the record. Just this is way more than one
6	question.
7	JUDGE CHACHKIN: Well, I, I wasn't frankly, I
8	haven't looked at the joint agreement, the joint stipulation
9	of the parties. And if this witness can shed some light on
10	it, I don't see any problem with it.
11	MR. COHEN: I have no further questions, Your Honor.
12	JUDGE CHACHKIN: No further questions. And you
13	certainly could explore it further if you want to on redirect.
14	But I don't think the questions were asked I think they're
15	more in nature of clarifying than anything else.
16	MR. TOPEL: Yeah, it was more an objection for
17	procedural
18	JUDGE CHACHKIN: Well, I understand. But it was a
19	situation which apparently I raised from one of my questions.
20	So I think it's appropriate under those circumstances that the
21	area be explored. Any further cross-examination?
22	MR. McCURDY: I have a few questions.
23	JUDGE CHACHKIN: Go ahead.
24	CROSS-EXAMINATION
25	BY MR. McCURDY:

Q Mr. Juggert, I'd just like to clarify a couple of things. When did you first learn that National Minority was intended to be a minority controlled corporation?

A Would have been back in, at its inception when Jane
Duff telephoned me, hat would have been 1979, 1980, and
informed me that I was to incorporate Translator TV, Inc., and
she told me who the board members were going to be.

Q Okay. And at that time, if I understand your testimony, you contacted Gammon and Grange to discuss the proper way to incorporate it.

11 A I wrote them a letter.

Q Okay, you wrote them a letter. And what did you ask them in that letter?

A Well, the letter is of record. I asked them how this new corporation should inter-relate with Trinity Broadcasting Network. Who should own the, the equipment, if there were leases? Should, should the, the corporation own the property or should Trinity? Just are there any FCC ramifications that we should be aware of in forming this corporation.

Q Okay, and was the issue of minority control discussed?

A With Gammon and Grange?

24 Q Yes.

4

5

6

7

8

9

10

14

15

16

17

18

19

20

23

25 A No, that wasn't.

1	Q	Okay. And did and you never requested any
2	information	on on that point?
3	A	No, I didn't.
4	Q	Is there a member of the TBN board which has primary
5	responsib	ility for reporting on the activities of FCC counsel
6	currently	?
7	A	No, there isn't. Nobody has that designation.
8	Q	And is there somebody in practice who does that?
9	A	Well, I would say it would be primarily at this time
10	Paul, Pau	l Crouch would be the person most in contact with
11	Colby May	•
12	Q	Now you're familiar with the International Panorama
13	TV major	change application, correct?
14	A	That was the original corporation that owned Channel
15	40.	
16	Q	Right.
17	A	Yes.
18	Q	And in regards to that major change application
19	there was	a hearing? Do you recall that?
20	A	No, I don't.
21	Q	The you were on TBN's board at that time though?
22	A	Yeah, I don't, I don't recall what, what the issues
23	were at t	he hearing.
24	Q	Okay. At that time, I think TBN or International
25	Panorama	TV which I understand was wholly owned and operated

1	by TBN, is that correct?
2	A TBN owned all of the stock for International
3	Panorama, yes, and then elected the board members.
4	Q Okay. And were you a member of International, a
5	board member of International Panorama?
6	A I can't say as I sit here.
7	Q Okay. That's a matter of record too. And at that
8	time, I guess you moved the station to its present location in
9	Santa Ana.
10	A That's correct.
11	Q Okay. And in regards to that move, you had to
12	file a major change application was filed, correct?
13	MR. TOPEL: Your Honor, I'm going to object on the
14	grounds
15	MR. JUGGERT: Okay, now I know yes. Yes, it was.
16	JUDGE CHACHKIN: Is there an objection?
17	MR. TOPEL: I
18	JUDGE CHACHKIN: How is this relevant to the issues?
19	MR. McCURDY: This is relevant because I'm trying to
20	set a foundation for the state of mind basically of the board
21	and how it viewed FCC counsel, its relationship to FCC
22	counsel. In this case, it's similar to the present one
23	where FCC counsel is basically taking all the blame for advice
24	given to TBN.
25	JUDGE CHACHKIN: Well, I'll overrule the objection,

```
see where we go. You can make another objection if this
 2
    doesn't --
 3
              MR. TOPEL: I'd like --
 4
              JUDGE CHACHKIN: -- bear fruit.
 5
              MR. TOPEL: -- the record to reflect my position
 6
    that I don't think that's an accurate characterization --
 7
              JUDGE CHACHKIN: Well, we'll see what it's --
 8
              MR. TOPEL: -- the decision, the --
 9
              JUDGE CHACHKIN:
                               I'm -- counsel's statements are not
10
    testimony in the record.
11
              MR. McCURDY: Okay. I mean I'm not going too far.
12
    I'm just --
13
              JUDGE CHACHKIN: Well, go ahead.
14
              MR. McCURDY:
                            Okay.
15
              BY MR. McCURDY:
              Now if you'll recall during this hearing it was
16
17
    disclosed that TBN had falsified community, community leader
18
    ascertainment forms. Do you recall that?
19
              I remember that a Tim Flynn as I recall had done
         Α
20
    something like that.
21
         Q
              Okay. And it was also disclosed during this hearing
22
    that there was a I quess you could call it a significant
23
    breakdown in communications between Gammon and Grange and the
24
    TBN board.
25
              I don't, I don't recall that.
```

1	Q Okay. Well, at I'll try to refresh your memory.
2	At that time, Tim Flynn was conducting most of the
3	communications with FCC counsel with Gammon Grange. And
4	that and he was not a member of the board, correct?
5	A No, Tim was never a member of the board.
6	Q Okay. And he was not an officer, do you recall?
7	A I don't believe he was.
8	Q Okay. And there were some communications between
9	Gammon and Grange concerning the filling out of these
LO	ascertainment forms which was reportedly never made, never
11	communicated to the TBN board. Do you recall that?
12	A Well, I, I recall the accusations against Mr. Flynn,
13	and the conduct that he was charged with was something I
L <b>4</b>	wasn't aware of until I heard about the results of that
L5	hearing.
L6	Q Okay. I mean my question is as a result of that
L7	hearing, what actions did the TBN board to streamline its
18	communication with FCC counsel?
۱9	A I can't, I can't recall what was, what was done that
20	was, that was different back, back then. I don't know I
21	can't recall back that far.
22	Q Do you recall any discussions concerning the case
23	and
24	A With respect to Tim Flynn?
25	Q Yeah. Well, respect with respect to your

1	communicat	ting with FCC counsel.
2	A	No, I don't.
3		MR. McCURDY: Okay. I have no further questions.
4		JUDGE CHACHKIN: Any redirect?
5		MR. McCURDY: I I'm sorry.
6		JUDGE CHACHKIN: Oh, you have further questions.
7		MR. McCURDY: I have further questions.
8		JUDGE CHACHKIN: Oh, go ahead.
9		BY MR. McCURDY:
10	Q	Now with regards to the low-power television, in
11	1984, Nat	ional or Translator Television, Inc. claimed a
12	minority p	preference for the low-power television lottery. Do
13	you recal:	1
14	A	Who?
15	Q	Translator Television, Inc.
16	A	Um-hum.
17	Q	Claimed a preference in the low-power lottery in
18	1984. And	d my only question is at the time that these
19	application	ons were filed by TTI, were you aware that the FCC
20	had award	ed a preference for minority-owned applicants?
21	A	No.
22	Q	Now, I'd like to turn your attention to the time
23	period in	which the Odessa, purchase of the Odessa application
24	was being	considered. When were you first advised that NMTV
25	was consid	dering the purchase of the Odessa firm?

1	A I can't recall.
2	Q Did you play any role in that transaction?
3	A I believe there were, was a board meeting that I
4	attended where there were minutes regarding Odessa.
5	Q Okay. Was there a TBN board meeting?
6	A I think there was.
7	Q And this was discussed at the TBN board meeting?
8	A I think maybe just a loan was discussed.
9	Q Okay. And was there any discussion concerning the
10	multiple ownership rule in that meeting?
11	A No.
12	Q Was there because at that time TBN owned 12 full-
13	powered stations, correct?
14	A Let's see, what year was that?
15	Q This is 1987.
16	A I believe they did.
17	Q Okay. And you were aware at that time, weren't you,
18	that 12 was the maximum number of stations that a single
19	entity can control, correct?
20	A I remember that when we arrived at 12, whenever that
21	was, that I was informed that this was the maximum number.
22	Q Okay. Now when NMTV was considering purchasing a
23	full-powered my question did you did it occur to you to
24	ever ask whether this was permissible under FCC regulations?
25	A No, I, I didn't.

1	Q	Were you ever advised by FCC counsel on the
2	permissib	ility of that purchase?
3	A	I personally was not.
4	Q	Okay. Do you remember any discussions at TBN where
5	this was	brought up or this was discussed?
6	A	No, not that I no, I can't.
7	Q	Okay. So you never reviewed and you never
8	reviewed	any written legal memorandum from FCC counsel
9	concernin	g this issue?
10	A	No.
11	Q	Okay. And now you also said that you researched the
12	de facto	control
13	A	Yes.
14	Q	issue for the first time several weeks ago?
15	A	Yes.
16	Q	I guess my question is was that the first time
17	you've ev	er researched that issue?
18	A	Yes, it is.
19	Q	Okay. In regards to anything concerning TBN
20	activitie	s?
21	A	Or, or any corporation.
22	Q	Or any
23	A	Any, any amount of profit.
24		MR. McCURDY: Okay. I have no further questions.
25		MR. TOPEL: Can I have just one minute?

1	JUDGE CHACHKIN: Yes. Before you do so, I'd like to
2	ask you a question, sir.
3	MR. JUGGERT: Sure.
4	JUDGE CHACHKIN: You said you were not aware that
5	Translator TV was established in order to apply for
6	translators and low-power television?
7	MR. JUGGERT: No, I was, I was well aware that
8	that's that was a very, very at the very outset that was
9	known. I think what I answered was that I was not aware in
10	1984 that it was, that it was claiming a preference
11	JUDGE CHACHKIN: I see.
12	MR. JUGGERT: for low-power stations.
13	JUDGE CHACHKIN: Were you aware of the Commission's
14	preference policy at the time that TTI was formed in
15	September 16th, 1988 and 1980?
16	MR. JUGGERT: At that time, yes, Jane Duff had told
17	me in '86, '87, '88 there was a preference.
18	JUDGE CHACHKIN: What about at the time that the,
19	you had your meeting of the board in which you discussed
20	Commission policy. Wasn't the policy you discussed the policy
21	concerning the low-power television?
22	MR. JUGGERT: At the, at the very outset? At the
23	JUDGE CHACHKIN: Yes.
24	MR. JUGGERT: I wasn't at that organizational
25	meeting.

1	JUDGE CHACHKIN: I thought you were listed as
2	MR. SHOOK: Your Honor, you two may be talking about
3	different meetings. I believe the meeting you have in mind is
4	the September 11, 1980 meeting of the Trinity Broadcasting
5	Network board.
6	JUDGE CHACHKIN: That's right.
7	MR. SHOOK: And Mr. Juggert is referring to a
8	meeting of Translator TV which took place a week later when
9	the corporation was organized. So you're just talking about
10	two different meetings.
11	JUDGE CHACHKIN: Oh, I'm talking about what is
12	the, the number of that meeting of the board?
13	MR. SHOOK: It's in Volume 1, Your Honor. I believe
14	it is Mass Media Exhibit 5.
15	(Pause.)
16	JUDGE CHACHKIN: What I have referenced to, sir,
17	this is your signature.
18	MR. JUGGERT: Yes.
19	JUDGE CHACHKIN: Showing that you took these
20	minutes, special meeting.
21	MR. JUGGERT: What number is that?
22	JUDGE CHACHKIN: No. 5.
23	MR. JUGGERT: I got book 5.
24	(Pause.)
25	JUDGE CHACHKIN: Now what I have referenced is, is

1	the, the second paragraph.
2	MR. JUGGERT: Yes.
3	JUDGE CHACHKIN: Where the board considered recent
4	action by the FCC in changing rules applicable to translators.
5	The board discussed the potential for new outlets these
6	changes provide. Now what do you recall concerning what was
7	discussed in this, in this regard?
8	MR. JUGGERT: The only recollection I have back at
9	that time in terms of, of regulations was the thought that
10	these translator stations could be used to receive satellite
11	feed and, and also possibly do local programming.
12	JUDGE CHACHKIN: And was there any discussion
13	concerning the advantage of having a minority-controlled
14	entity applying for these, these, applying for these
15	applications?
16	MR. JUGGERT: I remember absolutely
17	JUDGE CHACHKIN: These facilities.
18	MR. JUGGERT: no conversation along that line at
19	all.
20	JUDGE CHACHKIN: So at, at the time of this meeting,
21	there was no discussion of Mr. May's there was no
22	discussion of the notice of proposed rule making which of 1980
23	which Mr. May was there any discussion concerning knowledge
24	derived from Mr. May as to what the Commission had adopted?
25	MR. JUGGERT: Not that I, not that I can recall.

1	JUDGE CHACHKIN: So to your knowledge as far as
2	you're concerned, the establishment of the discussions
3	concerning the establishment of an entity to apply for
4	translators had nothing to do with any action of the
5	Commission in connection with priority given to minorities.
6	MR. JUGGERT: The establishment of Translator TV.
7	JUDGE CHACHKIN: Yes. The filing application of
8	Translator TV. The decision to establish Translator TV.
9	MR. JUGGERT: That's, that's correct.
10	JUDGE CHACHKIN: Had nothing to do with the fact
11	that the Commission had issued a rule making saying in which
12	they indicated that minorities would have a preference.
13	MR. JUGGERT: That's correct. I, I did testify that
14	the president had told me before that meeting about his
15	conversation with the former FCC commissioner and being told
16	that, that it was FCC policy to encourage minority and
17	ownership and female ownership. That was before Translator
18	was formed.
19	JUDGE CHACHKIN: And Ms in your conversation
20	with Ms. Duff you stated you did discuss preferences given to
21	minorities.
22	MR. JUGGERT: That was in, somewhere in 1986, '87,
23	788.
24	JUDGE CHACHKIN: But you don't have any recollection
25	of what recent action by the FCC was discussed at this board

1	meeting.
2	MR. JUGGERT: No, I don't. Not at this time.
3	JUDGE CHACHKIN: But the notes do indicate that in
4	fact there was discussion of action by the FCC at this
5	meeting.
6	MR. JUGGERT: That, that is correct.
7	JUDGE CHACHKIN: All right, go ahead. Redirect.
8	(Pause. Asides.)
9	MR. TOPEL: Your Honor, I'd like to have marked for
10	identification as Trinity Broadcasting of Florida Exhibit 125
11	I believe.
12	(Whereupon, the document referred to
13	as Trinity Broadcasting Exhibit No.
14	125 was marked for identification.)
15	JUDGE CHACHKIN: You say 125?
16	MR. TOPEL: Yes, Your Honor. That's what our
17	records indicate. A 10-page document which consists of
18	excerpts from the deposition of Mr. Juggert in this
19	proceeding.
20	JUDGE CHACHKIN: You're using this to impeach Mr.
21	Juggert. Is that
22	MR. TOPEL: No. No, not at all, Your Honor. I'll
23	explain
24	JUDGE CHACHKIN: Well, that's what I thought oh,
25	go ahead.

1	MR. TOPEL: I'll explain it.
2	JUDGE CHACHKIN: Well, the document described by
3	counsel and marked for identification is Trinity Exhibit 125.
4	MR. TOPEL: Thank you, Your Honor. During cross-
5	examination, Mr. Cohen read into the record a portion of Mr.
6	Juggert's deposition testimony that appeared at page 58. Mr.
7	Cohen neglected to point out that
8	MR. COHEN: Can I just find it please?
9	JUDGE CHACHKIN: Have you had an opportunity to look
10	at this material?
11	MR. COHEN: This material?
12	JUDGE CHACHKIN: Just given to you today.
13	MR. COHEN: No, I'm reading it right now as we
14	speak.
15	JUDGE CHACHKIN: Well, I think we might as well go
16	off the record and afford the parties an opportunity to
17	MR. COHEN: There's 10 pages. I'd like to
18	JUDGE CHACHKIN: review it before
19	MR. TOPEL: It's from the deposition
20	JUDGE CHACHKIN: I understand. But Mr. Cohen hasn't
21	had a chance to see the deposition
22	MR. COHEN: I mean I don't have that deposition
23	memorized.
24	JUDGE CHACHKIN: to, to argue about it. And
25	we'll go off the record so we all can read it.

1	MR. COHEN: Could I ask Mr. Topel whether there's
2	going to be any other references? He, he mentioned 58. Are
3	there any other references that I should read in
4	MR. TOPEL: Yes.
5	MR. COHEN: Thank you.
6	MR. TOPEL: You also read into the record page 59,
7	line 15.
8	MR. COHEN: Anything else?
9	MR. TOPEL: That's it.
10	MR. COHEN: Okay. Thank you.
11	COURT REPORTER: Off the record?
12	JUDGE CHACHKIN: Yes, we're off the record.
13	(Off the record at 10:00 a.m. Back on the record at
14	10:01 a.m.)
15	JUDGE CHACHKIN: on the record. Go ahead, Mr.
16	Topel.
17	MR. TOPEL: Basically when Mr. Cohen read a portion
18	of line 58 into the record, he neglected to point out that he
19	had conducted six additional pages of examination on his own
20	initiative to clarify that testimony which did clarify it and
21	which substantially negates the purpose for which Mr. Cohen
22	read the section from page 58 into the record. We the
23	clarifying testimony appears at pages 1 through 6 of TBF
24	Exhibit 125, and we believe that should be included in the
25	record.
